Profile published:

February 2017

Certification body:

Assessor:

Michal Kucharski

Corbel
Solutions Centre
53-57 Knightsdale Road
Ipswich
IP1 4JQ
Scope: Whole Company

Complies with the requirements of the Cyber Essentials Scheme

This certificate certifies that the organisation named was assessed as meeting the Cyber Essential's implementation profile published in April 2014 and thus that, at the time of testing, the organisations ICT defences were assessed as satisfactory against commodity based cyber attack. However, this certificate does not in any way guarantee that the organisations defences will remain satisfactory against cyber attack.
